

Dating Game

This is a great game for the “non-couples”...or just for fun. Pick 1 guy and 3 single ladies and separate them (with a screen, or wall.) Have the guy ask the ladies 3 questions and he has to choose the lady he finds most interesting. You can also use 1 lady and 3 guys.

Questions for the contestants to ask each other:

1. What would be your most romantic date?
2. What is your favorite body part?
3. Which celebrity do you most resemble?
4. What is your favorite meal to cook?
5. What is your best quality?
6. If you could have dinner with anyone (dead or alive) who would it be and why?
7. Tell me something about yourself that very few people know.
8. You are at the gym...what machine are you on?
9. If you inherited 1 million dollars what would you do with it and why?
10. Which is better Top or Bottom?
11. Who would win the race, the turtle or the hare and why?
12. Where is the one place you have never been that you would love to go?
13. What would your ideal job be?
14. Describe your eyes.
15. What type of car best describes you and why?
