

### A wedding shower scrapbook page

Have each member of the wedding party create a page to be placed in a scrapbook. For those that don't feel that they are crafty, include some items (stickers, frames, pictures, etc) that can help them get started. Print out the instructions below and make sure to include your name and address at the bottom so you can have the pages prior to the wedding shower.

#### A Gift From Us – The Chosen Ones

So you've been chosen, you've been picked  
By that happy couple whose love just clicked.  
Let's show them why they like us so much  
By making a memory with a personal touch.  
Please take some time to create a page  
Of fun and good times in which you did engage.  
This is a secret but they will love it so  
So don't say a word the surprise will blow.  
Please don't forget to include your name  
It's your time to shine, your turn for fame.  
Make it, admire it and return it to me  
By \_\_\_\_\_, so please hurry.

Thank you!
